Other Matters	<p>After all greyhounds were placed into the boxes for race 1 and the starter signaling for the lure to be motioned, the lure then malfunctioned shortly thereafter. All greyhounds were removed from the boxes and returned to the stir-up enclosure whilst maintenance was undertaken to repair the lure, causing a delay to the running of the race. All greyhounds were examined by the On Track Veterinarian and deemed suitable to race. As a result of the delay, all races were put back one race with race 11 rescheduled to commence at 11:04pm.</p>

The injury and incapacitation information in this report was reviewed by the Veterinarian present at the meeting and confirmed prior to publication.
