OUR BOY BUZZ (2) only has to run up to his last two outings to be winning again. Should be able to lead all the way. PIPER FIRE (7) is meeting a slightly easier field than recent assignments. Value hope for exotics. GRACE LILLY (3) should settle close to the lead and can hang on for a place. HAPPY POTTER (5) has the pace to overcome the draw.

Veteran chaser who can be a bit risky at box rise. Recent form is only moderate and a major form reversal is required for him to feature despite the good draw.

Ran a much improved race here last week when placed at massive odds. Will likely drop to the fence early and look for rail runs. Back end of exotics look best.
