A tricky 307m maiden to open the meeting. SOLAR ENERGY (2) has placed in both his career starts here after poor getaways. Although would prefer drawn wider on the track he'll be hard to catch if he repeats his 17.77 trial here in March. PRINCESS ANNETTS (6) showed speed in her only start over the 450m and will be suited by the drop back in trip.

Hard to go past the debutant MIDNIGHT FLASH (4) who's 3 littermates to race so far, all won on debut in good fashion. With even luck in running she should be the one to beat. RAGLAN VIPER (2) wasn't disgraced on debut when finishing runner up here in March 30.53 and looks the only danger while ROCKSTAR KHALI (6) is a minor place hope.

An open event with a few genuine chances. YENDERRA EVIE (3) has been freshened since winning here 3 weeks ago in 26.35. She can be risky at boxrise but with luck in running could be too strong late. MISS ZIGGY (5) won here in slow time last week when beginning well while STRIKE TWO (6) has placed here 3 times and not without hope.

Good quality FFA event with a mix of speed and strength. From the draw TORNADO TIME (2) might find the top and be the one to run down. She has a good record from inside alleys and can run quick early sections. MODUS OPERANDI (3) and MIDNIGHT JOYCE (4) are both likely to be coming from off the speed but will be strong late and are the dangers.

ZIPPING DEAN (1) was impressive winning at Dubbo recently in quick time from the same draw as today. He only needs to jump cleanly to be hard to beat here. JACOBITE MAGIC (3) has a good turn of early speed and will appreciate the move to an inside draw while ZIPPING BRADY (7) is the class runner but will need luck from the draw.

KITBOOLOU CORZA (8) has a good turn of foot when she hits the ground and might get the fly in the run to the first turn. She has a PB of a flying 17.58 recorded 4 starts ago. STRIKE POWER (5) was impressive winning here last week in 17.64 beginning much better than she had been, a repeat will see her go close again. IRONDALE FOXTROT is well drawn.

HAPPY GO LUCKY (3) is undefeated in 3 starts here over the trip, the best a fast 25.65. If he can find the fence early he'll be hard to hold out. DANA QUEEN (5) has been beginning brilliantly in recent weeks, looks the leader and the one to catch while LARGEN IN CHARGE (1) is boxed to run an improved race.

RICH BUDDY (7) has been a model of consistency in recent times that includes a strong win in 30.06. Not badly drawn, could find the top early and be hard to run down. ZIPPING BRAM (8) will need luck from the draw but has fast wins at Richmond and Bulli and was unlucky at Dubbo recently while TONY'S RESCUE (6) has a sound record here.

Most open race of the day with every runner a hope including the reserves. CROP TOP (8) has been freshened since finishing runner up here twice showing good early speed and handles outside draws so she gets the nod slightly. DURAMA DANCER (1) impressed here winning in 17.76 two weeks ago while ONE PENNY (5) resumes and could sprint well fresh.

Hard race to finish the program with all runners struggling recently. TOUCH OF FEVER (8) resumes today after not being beaten by big margins on the Non Tab circuit. Handles outside draws and might pinch this while fresh. Hard to split the rest but ADDALINA (4) and BLAZE ERASER (6) have raced well in the past here. Both reserves are genuine hopes.
