RACE COMMENTARY

RACE 1	
LADBROKES RACING CLUB MAIDEN, 320m	
6 Carrigan	<p>Slow to begin and came together with another runner shortly after the start. Galloped awkwardly 1st turn and in the home straight. A post-race veterinary examination was carried out revealing no apparent injury. Stewards had concerns with the greyhound's actions from the 1st turn to the winning post and interviewed the trainer. After considering the submissions made and the result of the post-race veterinary examination it was decided that on this occasion Stewards could not be comfortably satisfied that the greyhound had breached any racing rules. Consequently, no formal action would be taken today but the trainer was warned that future performances would be monitored, and any similar behaviour may result in formal action.</p>
