RACE COMMENTARY

RACE 1

BULLI ON TUESDAY'S GET ON MAIDEN, 340m

4 Lucky Winner

The trainer struggled to box the greyhound as the greyhound sat down with its hind quarters protruding out of the rear of the box. Stewards spoke to the trainer, Mr J Callaghan, who stated that the dog is young and was recently in a race at Richmond Straight when the boxes failed to open. He feels this may be affecting the greyhounds behaviour. He intends to do some more box work with the greyhound. Stewards considered his comments and noted the greyhound has only had 3 race starts. Stewards took no formal action on this occasion but informed the trainer that future performances will be monitored.

5 Leichhardt Roar

Galopped on by another runner in the later stages of the first turn and stumbled losing significant momentum. A post race veterinary examination was carried out revealing no apparent injury
