RACE 4	
LADBROKE IT! MASTERS, 365m	
<b>1 Rockstar Sue</b>	Post race swab.
<b>4 Sutton Sandy</b>	<p>Appeared to momentarily shorten stride leaving the back straight. Initial and subsequent post race veterinary examinations by the OTV revealed no apparent injury.</p> <p>After reviewing all available digital replays, stewards interviewed the handler of this greyhound Ms S.Sundstrom regarding its performance leaving the back straight tonight. Ms.Sundstrom was not intimately familiar with this greyhound's racing traits as she was handling for another trainer not present. Stewards advised the handler that the greyhound was being issued an official warning tonight, given benefit of the doubt failing to pursue the lure, which will involve stewards noting the Etrac database, a similar performance in the near future possibly leading to further action being taken regarding penalty.</p>
