RACE 10	
GCNSW, 400m	
4 Nangar Archie	A post race urine sample was collected
6 Me Me Celebrity	Came together midway through the first turn and moved out sharply coming together with other runners and falling, Completed the course some distance behind the rest of the field. A post race veterinary examination was carried out revealing injury to left medial thigh - a 10 day incapacitation period was issued
8 Nando Banner	A pre race urine sample was collected Came together midway through the first turn and fell. A post race veterinary examination was carried out revealing a suspected Left Hock fracture - a 90 day incapacitation period was issued
https://www.thedogs.com.au/racing/bulli/2024-01-24/10/gcnsw	

RACE 11	
BULLI NUMBER 1 FOR EVENTS, 400m	
8 Angelo	A pre race urine sample was collected Stewards noted that the greyhound had been well supported in betting and interviewed the trainer Mr C Gatt, who stated that he expected the greyhound to run well today. But he does not back his dogs, nor does his family and he was surprised by the move in betting.
