RACE 11	
GCNSW, 340m	
4 Elsie's Ethics	Boxed in the second row, its handler was the last to complete the boxing appearing to have difficulties. Stewards conferred with the starter and handler post race regarding the circumstances, in conjunction with reviewing the available video replay. Stewards were informed a huntsman spider impacted the handler as he was placing the greyhound. The video replay of the pre start lent itself to the argument of a spider, given the handlers behaviour and those around him after boxing the greyhound. Stewards took no further action in the matter.
