RACE COMMENTARY

RACE 1	
NSW GBOTA WELCOME MAIDEN, 520m	
1 Paradise Beach	Checked off heels exiting the turn to the back straight becoming unbalanced and moving out and stumbling shortly afterwards losing significant momentum. A post race veterinary examination was carried out revealing abrasions to the left elbow and bruising to the left tibia - a 5 day incapacitation period was issued
5 Player One	A post race urine sample was collected.
8 Vonnie's Power	Began as a well supported, albeit drifting favourite. Came together firmly with other runners in the early stages of the first turn losing momentum and running wide
https://www.thedogs.com.au/racing/wentworth-park/2024-03-08/1/nsw-gbota-welcome-maiden	

RACE 2	
LADBROKE IT!, 520m	
5 Another Choice	A post race urine sample was collected
https://www.thedogs.com.au/racing/wentworth-park/2024-03-08/2/ladbroke-it!	

RACE 3	
LADBROKES SPORTS BAR, 520m	
6 Big Town Peppa	Came together with a number of other runners in the early stages of the first turn losing momentum and being turned partially sideways before being galloped on by another runner losing further momentum. A post race veterinary examination was carried out revealing spike injuries to the left hind foot - no incapacitation period was issued
7 Ritza Smoke	A post race urine sample was collected
https://www.thedogs.com.au/racing/wentworth-park/2024-03-08/3/ladbrokes-sports-bar	

RACE 4	
PBD SIMPLY LIMELIGHT @ STUD 1 WIN, 520m	
2 King Calymea	A post race urine sample was collected
8 Journey	Checked sharply off the heels of another runner turning into the home straight moving out and losing momentum
https://www.thedogs.com.au/racing/wentworth-park/2024-03-08/4/pbd-simply-limelight-@-stud-1-win	

RACE 5	
PBD SPONSOR A RACE AT WENTY 1 WIN, 520m	
4 Lightfoot Rev	Galloped on by another runner entering the first turn losing momentum and checking off heels shortly afterwards moving out losing further momentum. A post race veterinary examination was carried out revealing a left hip support muscle injury- a 10 day incapacitation period was issued
6 Aston Florin	A post race urine sample was collected
8 Ballows Twitch	Came together heavily in the early stages of the first turn losing momentum and being turned partially sideways. A post race veterinary examination was carried out revealing left hind foot spike wounds - no incapacitation period was issued
https://www.thedogs.com.au/racing/wentworth-park/2024-03-08/5/pbd-sponsor-a-race-at-wenty-1-win	

RACE 6	
LADBROKES COMMUNITIES, 520m	
Post race it was noticed that the tractor gates midway through the turn to the back straight had been left open. Stewards reviewed the race footage and were satisfied that no runners were affected. Track staff were spoken to by Stewards regarding the oversight.	
3 Dazzling Gunn	Checked off heels midway down the home straight on the first occasion coming together with another runner shortly afterwards losing momentum. Came together again in the early stages of the first turn becoming unbalanced and moving out losing momentum. Due to a miscommunication the requirement for a post race veterinary examination was not passed onto the trainer. Stewards have instructed the trainer to present the greyhound at Richmond race track tomorrow morning. This greyhound was presented and examined by the OTV at Richmond Straight 9/3/24. revealing an injured nearside shoulder for which a 14 day incapacitation period was applied.
7 Midnight Spritz	A post race urine sample was collected
8 Canya Love Me	Came together heavily in the early stages of the first turn becoming unbalanced and moving out losing momentum. A post race veterinary examination was carried out revealing a right hind metatarsal fracture - a 60 day incapacitation period was issued
https://www.thedogs.com.au/racing/wentworth-park/2024-03-08/6/ladbrokes-communities	

RACE 7	
LADBROKES ODDS SURGE, 520m	
1 Not A Shame	<p>Came together with another runner midway through the first turn losing momentum and galloped on by another runner shortly afterwards and falling. Completed the course some distance behind the rest of the field. A post race veterinary examination was requested by Stewards.</p> <p>Due to the on track veterinary surgeon being fully occupied dealing with seriously injured dogs from this race and the subsequent one the trainer made submissions to Stewards that he would present the greyhound at tomorrow morning's Richmond Straight meeting. Stewards considered the request and as the greyhound did not appear to have sustained any obvious injury needing immediate care the Stewards agreed to the request.</p> <p>Examined by the OTV at Richmond Straight, morning of 9/3/24 and found to have no apparent injury.</p>
2 Overflow Jill	<p>Came together with another runner midway through the first turn losing momentum and coming together with other runners then colliding with other runners in the later stages of the first turn losing further momentum.</p>
3 Weffalee Shield	<p>Collided with a number of other runners midway through the first turn losing substantial momentum.</p>
4 Anjo Typhoon	<p>Collided with a number of other runners midway through the first turn losing substantial momentum.</p>
6 Double Threat	<p>Collided with a number of other runners midway through the first turn losing substantial momentum.</p>
7 Betty Birdcage	<p>Collided with a number of other runners midway through the first turn losing substantial momentum.</p>
8 Over Thinking	<p>A pre race urine sample was collected</p> <p>Came together with another runner midway through the first turn but appeared largely unaffected. Lost momentum rapidly from midway through the turn from the back straight coming to a halt in the home straight. A post race veterinary examination was carried out revealing right Hock fracture - a 90 day incapacitation period was issued</p>

RACE 8

GEE HEATS MARCH 30, 520m

Due to an error by the judge the incorrect placings were initially displayed on the semaphore board as 3,2,1,6 this was rectified to correctly read 5,3,2,1 shortly afterwards. The incorrect margins were also displayed being those between the 2nd,3rd and 4th place holders rather than 1st, 2nd and 3rd. Again this was quickly rectified to show the correct information.

4 Tarawi Rocky

Came together in the early stages of the first turn and fell. A post race veterinary examination was carried out revealing compound fracture to the Right Radius & Ulna - a 90 day incapacitation period was issued

7 Fred's Way

Galloped on by another runner in the early stages of the first turn and stumbled severely losing significant momentum. Completed the course some distance behind the rest of the field. A post race veterinary examination was carried out revealing no apparent injury

8 Canya Smoke Them

Galloped onto the heels of another runner in the early stages of the first turn losing significant momentum.

RACE 10	
LADBROKES MATES MODE, 280m	
3 Cosmic Billy	A post race urine sample was collected
7 Loco Express	Checked sharply off heels of the rapidly slowing #8 STARLINE EXPRESS and moved out losing momentum
8 Starline Express	A pre race urine sample was collected Lost momentum rapidly in the later stages of the turn from the back straight. A post race veterinary examination was carried out revealing a Right Hock fracture- a 90 day incapacitation period was issued
https://www.thedogs.com.au/racing/wentworth-park/2024-03-08/10/ladbrokes-mates-mode	

RACE 11	
PBD WHERE ELSE BUT WENTY?, 280m	
3 Spark Ricciardo	Checked sharply off the falling #5 EXCITEMENT losing significant momentum.
5 Excitement	Came together in the early stages of the first turn and fell. Completed the course some distance behind the rest of the field. A post race veterinary examination was carried out revealing no apparent injury
