4 Mount Tate	<p>Moved out passing the 720m boxes and lost momentum completing the course at the back of the field. A post race veterinary examination was carried out revealing no apparent injury</p> <p>Stewards noted that the greyhounds recent runs have all been over 520m and spoke to the trainer Mr C. Micallef regarding the greyhounds performance. He stated that he had felt the greyhound had been running on at the conclusion of it's 520m runs and that it was capable of longer races. He has been successfully trialling the greyhound up to 600m and after today's run he plans to keep the greyhound to racing up to 600m. After considering the representations Stewards deemed that no formal action would be taken today but the trainer was warned that future performances would be monitored and any similar behaviour may result in formal action</p>
