| <b>4 Fire Fairy</b>   | <p>Checked sideways by another runner soon after the start, yielding ground. Hampered and then subsequently checked by another moving out in the back straight, tailing off rounding the home turn.</p> <p>Post race veterinary examination by the OTV revealed offside groin and offside metatarsal soreness for which a 14 day incapacitation period was applied.</p> |
| <b>8 Enzo Herrera</b> | <p>Boxed in the second row as required, impeded momentarily by the roller door slipping before the starter's prompt intervention, assisting with the roller door as the greyhound was placed away by the trainer with negligible delay. Track staff attention was drawn to the roller door in the event it needed attention prior to subsequent races.</p>              |
