RACE 4

RICK FIRMAN'S MENSWEAR, 330m

Stewards delayed the "All Clear" after a muzzle was found in front of the boxes after the event. After reviewing the head-on footage, stewards were comfortably satisfied the muzzle was not there prior to the start of the event. Therefore, "All clear" was given on the numbers 7 - 1 - 4 - 8. It was ascertained that TICK IT OFF (8) had dislodged its muzzle, shortly after the start. Trainer, Rebecca Edenborough was reprimanded under GAR 156 (f) (ii) for her conduct after the running of the event regarding the muzzle. When assessing penalty stewards took into account Ms Edenborough's good record.	
5 Dana Billy	Shifted out and came together with another runner on the home turn, before momentarily becoming unbalanced. A post-race veterinary examination revealed no injury. Stewards had concerns with the actions of the greyhound on the home turn when it shifted out and came together with TICK IT OFF (8). Trainer, Rodney McDonald believed the greyhound had just shifted out and therefore was pursuing the lure with due commitment at the time of the incident. Stewards noted Mr Donald's comments. No further action was taken.
8 Tick It Off	Dislodged its muzzle shortly after the event.
