RACE 5	
GREYHOUND PRODUCTS DIRECT 1-2 WIN, 520m	
1 Trunkey Jennings	Checked off the hindquarters of another in the run into the first turn, causing this greyhound to contact the running rail. 4 Oscar Faith	Hindquarters galloped on by another in the run into the first turn. Hindquarters galloped on again by the same greyhound leaving the back straight causing this greyhound to go down in its hindquarters and lose momentum and ground. Post race veterinary examination by the OTV revealed an abrasion on the offside hind for which no incapacitation period was applied.
8 Leichhardt Roar	It was noted by participants and stewards that the boxing of this greyhound was slow, albeit first boxed per its endorsement. Stewards spoke with trainer Mr.J.Grech advising him that the pre race boxing process needs to be timely and that he might consider calling upon another registered person to assist with the boxing of the greyhound at its near future starts, thereby eliminating any further action by stewards which might be deemed necessary.
