RACE 4	
CESSNOCK TRIAL TRACK, 400m	
1 Bundy And Solar	<p>Became awkward in its stride and lost ground over the concluding stages of the race.</p> <p>Underwent a post-race Veterinary examination which revealed it to have sustained a partial tear to its nearside back muscle and was stood down from racing for 28 days.</p> <p>In not issuing an endorsement under the rules, Stewards took into consideration Dr Webber's evidence that the injury to its back muscle was the major contributing factor of the greyhounds actions at that point of the race. A post-race swab sample was collected.</p>
