| PBD LADBROKES SPORTS BAR 1-2 WIN, 520m | |
| 1 Zipping Kimble | <p>Moderately away before coming together with another runner causing the greyhound to lose momentum. Tightened for room entering the first turn before galloping on the heels of another runner causing the greyhound to lose momentum. Underwent a post race veterinary examination revealing no apparent injury.</p> <p>Stewards acknowledged the greyhound starting a heavily supported short priced favourite before finishing 6th. Stewards sought comments from trainer Mr Sam Sultana who stated the greyhound was not ideally boxed inside as it lacks early pace and would require luck early to establish a good position. This did not occur tonight and the early interference attributed to the performance. Stewards noted the comments and were satisfied with tonight's performance considering the interference suffered and the consistency in the greyhound's racing patterns and no further action was taken.</p> |
| 2 Zipping Quinn | <p>Underwent a prerace veterinary examination revealing no abnormalities and the greyhound was passed fit to start.</p> |
| 4 Tarawi Zoomer | <p>Post race swab obtained.</p> <p>Stewards interviewed kennel representative Mr Troy McDonald regarding tonight's improved performance. Mr McDonald stated the greyhound shows good ability in trials but has unfortunately not consistently produced it on race day. The greyhound has found interference in its recent starts and performs much better when left alone and given room to gallop which happened tonight. He jumped well tonight and found room to gallop tonight therefore produced what he trials. Stewards noted the comments and the greyhound was locked away for a post race swab.</p> |
