RACE COMMENTARY

RACE 1

FAREWELL WAUCHOPE, 384m

5 Transpose

Stewards' had concerns with how truly TRANSPOSE (5) was pursuing the lure, on the turn off the back straight. Underwent a post-race veterinary examination which revealed a mild strain to the nearside whip muscle 14 days incapacitation. After reviewing the footage and taking observations, Stewards' issued TRANSPOSE (5) with a Fail to pursue (by reason of injury) under GAR rule 125. TRANSPOSE (5) is now suspended for 14 days from Wauchope and is ineligible to compete in any race or qualifying trial until the completion of a satisfactory trial under GAR 132.
