A 14 day stand down period was issued.
<b>3 Poddelka Lady</b>	When questioned regarding the market support for the greyhound, trainer Mr Roger Sandes was at a loss to explain the support, however stated that PODELKA LADY began poorly at its most recent start at Musswellbrook which he believed had a material effect on its finishing position. He added that after being able to jump well and obtain clear running early in today's event the greyhound was able to perform to a level in which he believes better demonstrates its ability. Stewards noted the comments. A post-race sample was obtained.
