Came together with another runner through the turn into the home straight. Underwent a post race veterinary examination revealing an offside quadricep sprain. 7 day incapacitation period issued.</p> <p>Stewards sought comments from kennel representative Mr Chris Perry in regards to tonights performance. Mr Perry stated he was disappointed with tonights performance as he expected the greyhound to perform well. He stated the greyhound was not ideally boxed out wide and after only getting away moderately was unable to cross before finding interference which attributed to tonights performance. Mr Perry added he believed the greyhound was up in class tonight and had only one run since returning from a wrist injury. After reviewing the replay, taking into consideration the submissions made, the interference suffered and the veterinary outcome stewards were satisfied with tonights performance and no further action was taken.</p>
